Secure top listings

SEO Results

Maximum exposure

Natural Listings

We optimise your website so that it appears as near to the start of any search results within the natural (also known as organic) listings for your chosen key phrases as possible.

Local & Maps

Not only do we optimise your website for search engines but we also submit your website to Google Local Business listings and Google maps to help get your website on the 1st page.

Submit & Index

We submit your website to all the +major search engines, upload your sitemap and optimise every page to ensure we achieve the best results. +(Google, Yahoo, Bing)

Google Analytics

We set your website up with Google Analytics to create reports on your website and its success. Analytics provides detailed statistical information about your websites visitors.

1

Google Sponsored Listings

* We guarantee that your website will appear on the first page of Google.co.uk everyday for each for your 5 local key phrases. We cannot however, guarantee your website will appear 24 hours a day as it is not possible for any company to do this. We will however be constantly monitoring your website to ensure that it gets the maximum page 1 visibility possible from each of the above products included in this package.
